About Us:

We are the Manufacturer and Supplier of Different Types STAINLESS STEEL INSTRUMENTS including Surgical, Dental, Orthopedic, Ophthalmic and Veterinary Instruments located in Small industrial Estate which is the Heart of Sialkot Surgical Instruments Industry.

It has and will always be our goal to provide best manufacturing services to our customers. Our aim is to develop more of a partnership with our customers, rather than just a vendor-purchaser relationship. With AL-Zahrawi Surgical, you can be assured of receiving top-quality manufacturing services and Products . Not only will working with AL-Zahrawi Surgical minimize your costs and increase revenues, there will undoubtedly be better control and a substantially better flow of information from us to you, as our valued customer. In addition, problems that do arise can be addressed directly and more efficiently in this manner.
